

WVNPA Virtual Nonprofit Leadership Summit September 21-23, 2021

Onward!

Nonprofits work on the frontlines of our society's most important issues – especially during the challenges of 2021 – and it is vital that they have a venue to advance their knowledge and skills that drive change to overcome those challenges.

The West Virginia Nonprofit Association's Virtual Nonprofit Leadership Summit will take place virtually over three days, and convene up to 300 nonprofit professionals from across the state.

Fulfilling our mission to serve nonprofits and strengthen West Virginia, the Summit will help nonprofit leaders, staff, directors, and volunteers come together to learn, inspire, and be inspired through peer-to-peer learning, up to 9 individual Learning Labs sessions, and exhibitors with products and services tailored to the needs of nonprofits. We will not let the pandemic challenges keep us from delivering what nonprofits need to be successful!

Because our Nonprofit Leadership Summit will be virtual in 2021, each sponsor will also be eligible for a virtual exhibitor booth on our sponsor/exhibitor pages that will include the following:

- Company overview
- Representative photo
- Representative Bio
- Contact information
- Downloadable promotional materials
- Optional video
- Inclusion in a virtual scavenger hunt

**Visionary Sponsors* will also have the option to record a welcome video available on our welcome page for all participants to the virtual summit.
